About the book *21 Layers of the Soul*

You're on a spiritual journey. You know that the answers to life's big questions lie somewhere within the depths of your soul. But how can you connect with your soul and tap into its divine wisdom? If only you had some sort of inner guidance system - an internal 'GPS' - to help you navigate back to the right path. **21 Layers of the Soul** can help you tap into and master that inner GPS. In this book, author Annemiek Douw MSc shares more than 100 case histories gathered over 15 years of healing work.
